## D700 Casement Mosquito netting (For Casement window only) D700纱窗 (折叠式)

D700 is design to fit casement window. Casement window has big handle. when window close , it will block mosquito netting and make the netting need to jutting out from the window to avoid crash with handle. This design has a special fold plate on the lock position. allow the panel of the fold up while the window handle are close. This can make the screen fit into the window internal space as much as it can.

beside, this develop a child-lock for kids and pet's safety concern. This is another idea for those whole dont want the screen jutting out from the wall and to solve the hassle between the window handle and the netting. And it can be remove the clean. The slim frame design make the netting visible and has clean view after fold up.

这款纱窗的设计是针对外平开窗户，主要是能够有效避开把手，完美解决因为把手需要加框而导致突出的问题。这款纱窗在中间主要设计了一把折叠锁，并且配有密码，主要针对儿童以及家里有宠物，需要把纱窗锁上。一但紧急，它也能在短时间打开。归功于这款纱窗极窄边框，能够是纱窗尽量往窗户贴近。美观实用。折叠的部份收纳是也不阻挡视线。
